

Mark's Prayer

Lord-ya know I'm grown older--

Keep me from talkin too much-I don't need to know everything!

Let me fly rite to the point-I don't need to straightin out everybody's affairs--
ya don't need to know every detail!

Let me listen to others Lord, that is very important--

I am not always right-let me be able to look at that always--

don't let me be a saint-they are too hard to live with--

but an ole grouch is the devil himself--

just let me be an ole human being!!

Let me be able to accept graciously favors that others want to give--

Let me be heplful and thoughtful and honest and giving and humble.

Help me to keep my mouth closed and do some listening-

Thank you Lord for my life-I will try to live it as best I can!!

Mark E. Hanley
